SIMLOC

HOUSE INFORMATION

Care and reporting: Please take good care of the home you are staying in. Should you notice any damages, report them to the owner immediately to avoid any misunderstandings.

Events and parties: No events or parties are allowed in the rental home.

Dry air: If you need to hydrate the air, put some glasses or bowls with water in the rooms. Do not wet any towels and hang them up, as wet towels can damage the walls, floors, and furniture.

Temperature settings: The standard indoor temperature is set between 20-23 degrees Celsius. If it is too cold or hot, or if the heating is not working as it should, please contact the owner. Do not adjust the settings of the heating system on your own.

Cleaning: The home will be cleaned once a week, with changing of towels and bed linen. If you need some extra towels, please contact the owner.

Non-smoking policy: All properties are strictly non-smoking. Smoking indoors will incur a minimum fine of 3,000 SEK. Please keep the garden free from cigarette butts and trash.

Security: Always lock the house door when no one is home. Losing a key will be charge with 1,000 SEK.

Doors and windows: It is crucial not to leave windows or doors open, as this can cause the water pipes to freeze due to the extreme cold. Swedish houses have very good ventilation without opening the windows. Do not leave any doors open or unlocked.

Water: You can drink the water from the tap, Arjeplog has clean and good tap water.

Departure condition: Guests are expected to leave the home in good condition upon departure.
